Honorable Walter B. Smith, Director

Central Intelligence Agency

My dear Mr. Smith:

Subsequent to my letter of August 28, 1946 (B-59998), which approved site audit procedures for the Central Intelligence Agency, such procedures have been extended to include the audit of disbursing officers' accounts current. Accordingly, accounts current reflecting transactions for the month of July 1951, and thereafter, should be retained by your Agency for site audit by approved representatives of this Office.

Sincerely yours,

Comptroller General  
of the United States
